

IMPORTANT MESSAGE TO ALL GROUP MEMBERS

Have you paid the correct subscription for this year?

Many members paying their subscription by Standing Order have paid the old fee of £10. If this is you, you will have received a letter in a separate envelope in with your last magazine asking you to pay the additional £2. If you have already paid us the full £12, thank you very much, but if you have not, please send a cheque to our Membership Secretary for the outstanding £2.

Also, please remember to change your Standing Order to £12 ready for next year - we cannot do this for you, you need to contact your bank (or change it through internet banking)

Your membership fee is used by your group towards the printing and postage costs of 'Wheels' Magazine. Failure to pay the full £12 will result in your subscription to the group being terminated 2 months early.

Please contact our Membership Secretary if you have any queries.
